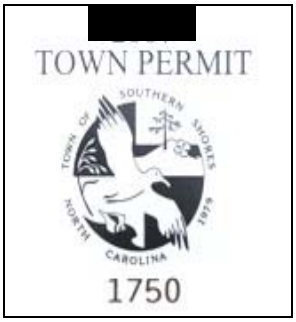
TOWN OF SOUTHERN SHORES
PARKING PERMIT APPLICATION

The Town Parking Permit allows permanent residents of the Town and non-resident property owners to receive a Town Parking Sticker if they desire, at no charge . **There is no parking allowed on the streets of Southern Shores except for those streets where there is a Town sign marking designated Town parking areas. This Sticker allows you to park in those designated Town parking areas which are primarily at beach accesses. You cannot park in these areas without a Town Parking Sticker and violators will be ticketed.** The Town Parking Sticker is not valid in private parking areas such as those operated by the Southern Shores Civic Association or the Chicahauk Property Owners Association, both of which have their own systems of parking passes for their properties. To obtain a Town Parking Sticker, complete the application form below for each vehicle owned by the permanent resident or property owner and bring to the Town Hall. (Office hours are 8:30 AM to 5PM, Monday thru Friday.) The form is also available online at www.southernshores-nc.gov/parking.htm. If you wish to mail your applications, mail them to Southern Shores Town Hall, 5375 N. Virginia Dare Trail, Southern Shores, NC 27949, enclosing a self addressed return envelope.



This Sticker is to be affixed to your windshield in the lower right-hand corner on the passenger side.
