### Storm Related Yard Waste Removal in Southern Shores

The Town of Southern Shores will commence on Monday September 12th with pick-up of property owners' vegetative yard waste generated by Tropical Storm Hermine. This pick-up will be for vegetative yard waste only. Please note that tree and branch removal contractors and professional landscapers must remove any debris (including trees, stumps, limbs, branches, etc.) that they cut, move, or handle in any way on behalf of a property owner. The Town or its contractor will not pick up this yard-waste.

Un-bagged leaves and small twigs will be picked up. Please refrain from placing leaves in plastic bags. The Town's semi-annual large item bulk pick-up is scheduled for Friday October 21.
