In cooperation with Dare County and the Albemarle RPO, the NCDOT has developed the DRAFT Comprehensive Transportation Plan (CTP) for Dare County. This Plan addresses the long-range transportation needs of Dare County by identifying existing and future transportation deficiencies. The recommendations outlined in the Plan are intended to be used as a tool for local officials to make future transportation decisions.

NCDOT representatives will be available in an informal setting to answer questions and receive comments about the CTP. The opportunity to submit written comments and/or questions will be provided. All interested citizens are invited to attend at any time between the hours of 4:00 pm and 7:00 pm at the Manteo location on December 5, or on December 16 at the Rodanthe or Kitty Hawk locations. Please note that there will be no formal agenda or presentation. The purpose of these meetings is to provide information and gather citizen comments.
