Wes, my apologies for the delay in my response. I appreciate you including me in the process. I cannot think of any negative concerns, I would add a positive point from a Public Safety aspect I the fact this would allow for another access/egress point for fire, police, ems.

Sincerely,

David M. Kole

Good afternoon, Chiefs. The new owners of the Southern Shores Crossing shopping center have submitted applications to create a new entrance to the shopping center from NC 12 by using the currently vacant lot north of Southern Shores Realty. Please take a look at the attached plans (or I have hard copies if needed) and let me know if you have any comments or concerns you feel should be addressed. The applications will be reviewed by the Planning Board at their December 15<sup>th</sup> meeting and the Town Council will most likely hold public hearings in January. Thanks!
